FOR IMMEDIATE RELEASE SUPERVISOR USES FACEBOOK TO BROADEN COMMUNICATIONS

SAN BERNARDINO – San Bernardino County Supervisor Josie Gonzales has officially launched her Facebook page to expand her accessibility to the residents she serves.

"My Facebook page is a sharing media venue that offers point in time information related to Fifth District events and issues," said Supervisor Gonzales.

"I definitely look forward to networking with everyone who 'friends' me," she added.

Supervisor Gonzales has actually established two lines of communication on Facebook. One is a Fan page; the other is her personal page. Both were created to share information about county programs and services as well as events happening in and around the County's Fifth District, which she represents.

They also will give her constituents an inside perspective on the day-to-day activities of their County Supervisor, who currently serves as Chair of the Board of Supervisors.
